To be more specific - I believe I can get you responses to 2-4 and 2-5 by COB today. It is 2-3 and 2-6 that I would like an extension for. I have already provided 2-1 and 2-2.

Hi Shonda, would it be possible for Consolidated Communications to get an extension on the due date for the second set of information requests in DTC 21-4? The responses are due today and unfortunately it is taking a while to obtain some of the older data that is needed to respond.

Thanks!
Carole
